Your Calling Zone is the Gainesville Area Calling Zone.

Page 7 of 8

This map shows the boundaries of the Gainesville Calling Zone. A list of the cities included in your Calling Zone is provided below. Long distance charges may apply to some calls in your Calling Zone.

Calling Zones

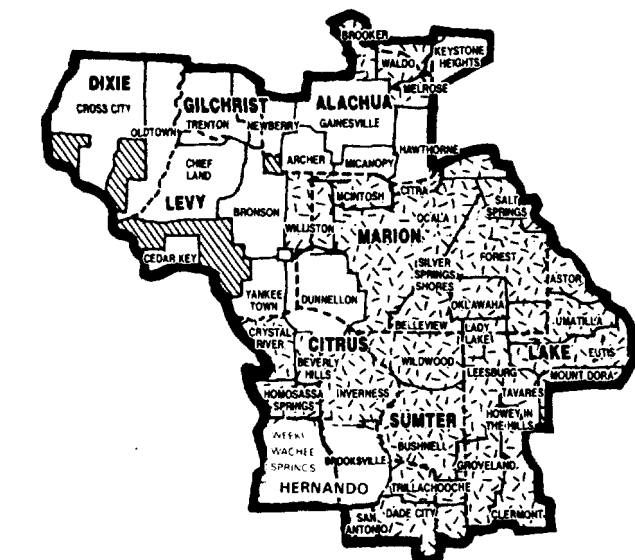

Calling Zones are geographic areas within which the local telephone company provides local and long distance services plus access to other long distance carriers.

Southern Bell has seven Calling Zones in Florida:

- Daytona Area
- Panama City Area
- Gainesville Area
- Jacksonville Area
- Southeast Area
- Orlando Area
- Pensacola Area

Southern Bell provides 1+ and 0+ long distance service within each of its Calling Zones. Other companies provide long distance service from one Calling Zone to another Zone. To make long distance calls outside your Zone, you may contact the long distance carrier of your choice to arrange for service.

New customers will be asked to choose a preferred long distance carrier at the time an order for new service is placed. There will be no charge for this initial selection. Once you have made your free choice, there will be a charge each time you change to another preferred long distance carrier.
